OFFICE OF THE COMPILER, *MYSORE GAZETTE*, BANGALORE.

Notification dated 16th November 1954.

It is hereby notified for general information that in pursuance of Government Order No. M. 10461-560/P. & S. 51-54-2, dated 24th August 1954, the following measures among others, have been taken to keep down the Revenue expenditure in the Press Budget.

1 The provisions of the Government Order No. A. F. 4541-4616—P. & S. 13-41-2, dated 5th March 1942 regarding reduction in the cost of publishing the *Mysore Gazette*, relevant extract of which is reproduced below, are enforced with effect from the date of the Government Order.

"Government desire to lay down as a general rule for guidance that no matter should be sent for publication in the Gazette by the Secretaries to Government or by the Heads of Departments unless such publication is prescribed under the Statute, or unless the non-publication of such matter is likely to cause inconvenience to the public. Notifications therefore which are at present appearing in the Gazette regarding the award of scholarsh ips, the list of motor vehicles registered, the appointment of Dharmadarsis to Muzrai Institutions, etc., should not find a place in the Gazette".

2 A 20 per cent cut in the printing of spare copies of Gazette notifications of taluk importance and 25 per cent cut in other cases has been effected from the date of this notification.

Heads of Departments and other officers are therefore requested kindly to see that notifications of only an important nature, the publications of which are absolutely necessary under the Statute are sent to this office for publication in the Gazette in an abstract form only. Detailed notifications of any nature will not be published in the Gazette. Requisitions regarding printing and supply of spare copies of Gazette notifications *the size of which does not exceed half foolscap and the number of which does not exceed 100 will not be ordinarily complied with.*

It is observed that in several notifications received in this office for publication in the *Mysore Gazette*, the signature of the Officers are not clear and the name of the officer is not being typed or written in Block Letters as per the above official memorandum. As the notifications to be published in the official Gazette should bear the signature of the concerned officer issuing the notification, it is requested that all the notifications sent to this office for publication should have the name of the officer under whose signature the notification is to be published, typewritten or written in Block Letters in brackets below the signature of the officer.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V, VI and VII should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette. 2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919, in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—F. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—F. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. & S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

I. P. MALLAPPA,
Secretary, S.P.C.

MISCELLANEOUS DEPARTMENT

OFFICE OF THE COMPILER, *MYSORE GAZETTE*, BANGALORE.

Notification dated 16th November 1954.

It is hereby notified for general information that in pursuance of Government Order No. M. 10461-560/P. & S. 51-54-2, dated 24th August 1954, the following measures among others, have been taken to keep down the Revenue expenditure in the Press Budget.

1 The provisions of the Government Order No. A. F. 4541-4616—P. & S. 13-41-2, dated 5th March 1942 regarding reduction in the cost of publishing the *Mysore Gazette*, relevant extract of which is reproduced below, are enforced with effect from the date of the Government Order.

"Government desire to lay down as a general rule for guidance that no matter should be sent for publication in the Gazette by the Secretaries to Government or by the Heads of Departments unless such publication is prescribed under the Statute, or unless the non-publication of such matter is likely to cause inconvenience to the public. Notifications therefore which are at present appearing in the Gazette regarding the award of scholarships, the list of motor vehicles registered, the appointment of Dharmadarsis to Muzrai Institutions, etc., should not find a place in the Gazette".

2 A 20 per cent cut in the printing of spare copies of Gazette notifications of taluk importance and 25 per cent cut in other cases has been effected from the date of this notification.

Heads of Departments and other officers are therefore requested kindly to see that notifications of only an important nature, the publications of which are absolutely necessary under the Statute are sent to this office for publication in the Gazette in an abstract form only. Detailed notifications of any nature will not be published in the Gazette. Requisitions regarding printing and supply of spare copies of Gazette notifications *the size of which does not exceed half foolscap and the number of which does not exceed 100 will not be ordinarily complied with.*

Notification dated 1st September 1956.

The attention of the Heads of Departments and other Officers concerned is invited to the O.M. No. M-16751-900/G.M. 47-51-1, dated 19th December 1951, issued by the Secretary to Government, Local Self-Government Department, Bangalore, regarding legibility of signatures of the officers in all the communications issued by them.

It is observed that in several notifications received in this office for publication in the *Mysore Gazette*, the signature of the Officers are not clear and the name of the officer is not being typed or written in Block Letters as per the above official memorandum. As the notifications to be published in the official Gazette should bear the signature of the concerned officer issuing the notification, it is requested that all the notifications sent to this office for publication should have the name of the officer under whose signature the notification is to be published, typewritten or written in Block Letters in brackets below the signature of the officer.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V, VI and VII should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919, in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. &. S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. No. 5139-95—P. & S. 52-30-1, dated 12th November 1930, the English or the Kanarese portion of the *Mysore Gazette*, consisting only of the five Parts, *viz.*, I, II, III Section 1, III Section 3, IV and V taken together or an entire copy of the English or Kanarese Gazette containing all the parts will be supplied only to Patels, Nad-Patels, Shanbhogs and Sheikdars within the State at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time or that he is on leave for a period not exceeding three years. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

MISCELLANEOUS DEPARTMENT

OFFICE OF THE COMPILER, *MYSORE GAZETTE*, BANGALORE.

Notification dated 16th November 1954.

It is hereby notified for general information that in pursuance of Government Order No. M. 10461-560/P. & S. 51-54-2, dated 24th August 1954, the following measures among others, have been taken to keep down the Revenue expenditure in the Press Budget.

1 The provisions of the Government Order No. A. F. 4541-4616—P. & S. 13-41-2, dated 5th March 1942 regarding reduction in the cost of publishing the *Mysore Gazette*, relevant extract of which is reproduced below, are enforced with effect from the date of the Government Order.

"Government desire to lay down as a general rule for guidance that no matter should be sent for publication in the Gazette by the Secretaries to Government or by the Heads of Departments unless such publication is prescribed under the Statute, or unless the non-publication of such matter is likely to cause inconvenience to the public. Notifications therefore which are at present appearing in the Gazette regarding the award of scholarsh ips, the list of motor vehicles registered, the appointment of Dharmadarsis to Muzrai Institutions, etc., should not find a place in the Gazette".

2 A 20 per cent cut in the printing of spare copies of Gazette notifications of taluk importance and 25 per cent cut in other cases has been effected from the date of this notification.

Heads of Departments and other officers are therefore requested kindly to see that notifications of only an important nature, the publications of which are absolutely necessary under the Statute are sent to this office for publication in the Gazette in an abstract form only. Detailed notifications of any nature will not be published in the Gazette. Requisitions regarding printing and supply of spare copies of Gazette notifications *the size of which does not exceed half foolscap and the number of which does not exceed 100 will not be ordinarily complied with.*

Notification dated 1st September 1956.

The attention of the Heads of Departments and other Officers concerned is invited to the O.M. No. M.16751-900/G.M. 47-51-1, dated 19th December 1951, issued by the Secretary to Government, Local Self-Government Department, Bangalore, regarding legibility of signatures of the officers in all the communications issued by them.

It is observed that in several notifications received in this office for publication in the *Mysore Gazette*, the signature of the Officers are not clear and the name of the officer is not being typed or written in Block Letters as per the above official memorandum. As the notifications to be published in the official Gazette should bear the signature of the concerned officer issuing the notification, it is requested that all the notifications sent to this office for publication should have the name of the officer under whose signature the notification is to be published, typewritten or written in Block Letters in brackets below the signature of the officer.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matters intended for publication in Parts I, II, III, IV, V, VI and VII should therefore reach this office not later than *Monday Evening*, and that for Part II not later than *Tuesday Evening* for the following Thursday's issue of the Gazette All matters received later than these days will be kept by for insertion in the following issue of the Gazette. (G. O. No. P. 988-1040—P. & S. 12-30-2, dated 26th July 1930.)

2. (i) Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its re-setting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect stating the number of copies should be made at foot of such manuscript.

(ii) Indents for less than 100 spare copies should not be sent to the Press, subject to the exceptions contained in G. O. No. G. 14330-95—P. & S. 5-19-9, dated 23rd December 1919, in regard to notices calling for tenders for the purchase of stores or for the execution of works. When a few copies only are required, they may be made available by the use of carbon sheets simultaneously with the preparation of a copy for the Gazette, as laid down in the above Government Order. (Letter No. G. 10382—P. & S. 9-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.)

(iii) When indents for an unusually large number of spare copies are sent, such instances will be brought to the notice of Government, as per letter No. G. 10382—P. & S. 99-37-2, dated 30th June 1938, received from the Secretary to Government, Development Department.

3. Matter sent for insertion in the Gazette will be published *only once* and the abstract in two issues. (G. O. No. G. 2915-6—P. &. S. 44-25-2, dated 13th September 1926).

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. As per G. O. No. E. 1892-1902—P. & S. 12-23-13, dated 8th December 1923, and G. O. Such subscribers will please note that the Gazette cannot be had *in separate parts* at concession rates under any other conditions and that they have to pay the full subscription for the part or parts required.

6. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such money should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the State.

7. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons. They are requested to insert invariably the name of the Post Office to which their copy should be sent.

8. Communications on post cards or on paper less than quarter sheet of foolscap will not receive attention; and no communication should be sent on Government Service by private parties.

MISCELLANEOUS DEPARTMENT

OFFICE OF THE COMPILER, *MYSORE GAZETTE*, BANGALORE.

Notification dated 16th November 1954.

It is hereby notified for general information that in pursuance of Government Order No. M. 10461-560/P. & S. 51-54-2, dated 24th August 1954, the following measures among others, have been taken to keep down the Revenue expenditure in the Press Budget.

1 The provisions of the Government Order No. A. F. 4541-4616—P. & S. 13-41-2, dated 5th March 1942 regarding reduction in the cost of publishing the *Mysore Gazette*, relevant extract of which is reproduced below, are enforced with effect from the date of the Government Order.

"Government desire to lay down as a general rule for guidance that no matter should be sent for publication in the Gazette by the Secretaries to Government or by the Heads of Departments unless such publication is prescribed under the Statute, or unless the non-publication of such matter is likely to cause inconvenience to the public. Notifications therefore which are at present appearing in the Gazette regarding the award of scholarships, the list of motor vehicles registered, the appointment of Dharmadarsis to Muzrai Institutions, etc., should not find a place in the Gazette".

2 A 20 per cent cut in the printing of spare copies of Gazette notifications of taluk importance and 25 per cent cut in other cases has been effected from the date of this notification.

Heads of Departments and other officers are therefore requested kindly to see that notifications of only an important nature, the publications of which are absolutely necessary under the Statute are sent to this office for publication in the Gazette in an abstract form only. Detailed notifications of any nature will not be published in the Gazette. Requisitions regarding printing and supply of spare copies of Gazette notifications *the size of which does not exceed half foolscap and the number of which does not exceed 100 will not be ordinarily complied with.*

Notification dated 1st September 1956.

The attention of the Heads of Departments and other Officers concerned is invited to the O.M. No. M-16751-900/G.M. 47-51-1, dated 19th December 1951, issued by the Secretary to Government, Local Self-Government Department, Bangalore, regarding legibility of signatures of the officers in all the communications issued by them.

It is observed that in several notifications received in this office for publication in the *Mysore Gazette*, the signature of the Officers are not clear and the name of the officer is not being typed or written in Block Letters as per the above official memorandum. As the notifications to be published in the official Gazette should bear the signature of the concerned officer issuing the notification, it is requested that all the notifications sent to this office for publication should have the name of the officer under whose signature the notification is to be published, typewritten or written in Block Letters in brackets below the signature of the officer.
